

Summer Nature Camp

Wood County Park District

W.W. Knight Nature Preserve

Summer is here and it is time for nature camp! We are looking forward to having a great week of fun and adventure with your child. As part of your child's nature camp experience, we want to encourage them to explore their surroundings and have fun. So plan on your child getting dirty! Don't send them to camp in their best clothes. In the event of rain we will still go outside, unless there is thunder and lightning. Below is a list of things you will want to pack for your child each day:

- Lunch (Make it eco friendly by using reusable containers)
- Shoes that can be worn IN the water. NO CROCS or FLIP FLOPS, they get lost in the mud
- Full water bottle
- Change of clothes (shirt, shorts, underwear, and socks)
- Sunscreen
- Insect repellent
- Plastic bag (or 2, for the wet stuff)
- Towel

** A small snack will be provided, but please indicate special diet needs on your Emergency Medical Form** Also included as an attachment in your camp email is your Emergency Medical Form. Please complete one form for each camper attending. You will need to complete this form prior to attending nature camp. Remember your signatures on the back page.

You have the following options for returning your form(s):

- In Person on the First day of Camp
- Email: wcpdprograms@gmail.com

If you have any questions please feel free to contact us at the contacts given below.

Thank you, and we will see you soon!
